Bula Kalino

Hope all is well with you in Auckland & that you are not greatly affected by the 7.8 earthquake in the South Island.

I'm writing to explore some form of working relationship between NZ Kaniva News & PACNEWS. We have from time to time picked up some of your exclusive articles and republished with attribution on PACNEWS. If you agree, we are keen to share our content with you, if we can also from time to time use some of your content.

By the way, great articles from the visit to China. I'm still stuck with a lot of admin work and haven't been able to write something. Trying my best to find the time to do so.

Let me know your thoughts.

Kind regards

Ms Makereta Komai

Manager/Editor

Dear Makereta

We are all safe and sound here in Auckland although we deeply feel for those who were affected by the earthquakes in Wellington and the South Island.

Thank you very much for your email and I am pleased that you came up with a great idea.

Yes I agree to your proposal that Kaniva News can use Pacnews' content while at the same time Pacnews can use ours from time to time.

I hope Kaniva News and Pacnews could continue to work together this way in the future for the benefits of our Pacific people.

Mālō 'aupito mo e 'ofa

Regards.

Dear Kalino

Good to hear that you and the family are safe in Auckland.

Thank you for your positive response to our proposal to partner in sharing our content. I will include your email address to our mailing list so you can get our updated PACNEWS bulletins daily. For attribution – how should we attribute your articles- Kaniva News or NZ Kaniva News?

For our articles we prefer our members are sourced, e.g. POST COURIER, FIJI TIMES, Radio & TV Tonga News etc. If it's our own stories, we prefer PACNEWS.

We look forward to working together and continuing to strengthen this partnership.

Regards

Makereta

Dear Makereta

Hope you are well. Please change the attribution of our news to New Zealand Kaniva Pacific and attribute it to Kaniva Tonga Online.

We changed name and we no longer operate as NZ Kaniva Pacific. Our old domain [nzkanivapacific.co.nz](https://www.nzkanivapacific.co.nz) would be removed soon. Our new domain is [www.kanivatonga.nz](https://www.kanivatonga.nz)

Kanivatonga.nz was our original name. We have chosen to go back to it to underline our commitment to being the best online Tongan news service. We will continue reporting on Tongan news in New Zealand, the kingdom and around the world.

'Ofa atu mo e faka'apa'apa

Regards
